- Malolactic Fermentation: yes
- Vinification : inox tank
- Ageing in cellar : 36 months on lees
- Dosage : Brut Nature ou EXtra Brut

Available in bottles 75 cl or Magnum 150 cl harvest 2017

#### TASTING

The clear gold color is presented with rapid and abundant effervescence. The visual presentation is rich and dynamic.

The nose is gourmet and classic for the grape variety. We perceive the apple pippin, the fruits cooked on a light background of jasmine, then later bread and damson. It is an expressive nose, well developed and typical.

The attack on the palate is round. Then the effervescency and consistency of the wine gives a petulant and winey expression. This then becomes warmer and more mineral. The combination goes discreetly with the cool wine and offers surplus of volume to the ensemble.

The finish is quite long (5 to 6 seconds), supple and marked by a frank and refreshing bitterness that signs the original terroir of the wine.

It is a balanced, round, seductive wine that nonetheless affirms the identity of its grape variety and terroir. A Cuvée to be served between 8 and 10°C in a slender flute during aperitifs. It can be accompanied by savory salty appetizers or salty-sweets.
